#### **AUDITION TIPS**

1. Each person intending to audition for Cheremosh or Cheremshyna should arrive at least 15 minutes prior to the scheduled audition time, in order to provide sufficient time to complete all required audition information sheets and to complete their individual warm-up.

4. Males are encouraged to wear appropriate dance attire including dark coloured, stretchable pants. Appropriate dance footwear is required.

#### **RESULTS**

1. Official written audition results will follow in the mail within approximately one (1) to two (2) weeks following the audition.
